Wallcoverings & More

Digital printers want to develop their competitive advantage in an overcrowded market by bringing quality and value-added materials at affordable prices. We can provide digital printable wallpapers to you. We have a vast experience with printable wallcoverings. Adawall uses high-quality raw materials to catch pure white on the surface of wallcoverings. Furthermore, when you use our wallcoverings with your digital machine resulting colors will be bright and more accurate.

✓ Qualitative touch and feel

✓ Ease of use

✓ Good printability and opacity

✓ High stability
